

BUSRA ALTINOK
Landscape Architect

PHONE: +905324788447
E-MAIL: busraaltinok89@hotmail.com

I believe that dealing with a nature-related job also heals the human spirit.

Design and nature have always been an important part of my life. I learned that landscape architecture is not just about designing an area, but also about planning and restoration. I learned that a small mistake in planning can cause ecological problems in different places.

EDUCATION

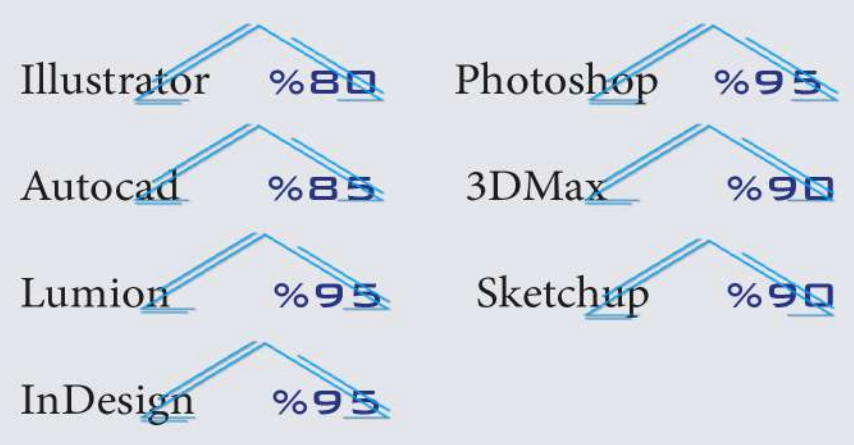

09/2022-07/2023 **Estonian University of Life Sciences**
